Packing

1 kg/bag, 25 kg/drum, or customization

Shelf Life

24 months when properly stored.

Transport Method

By express, Or by sea / train / air

Minimum order quantity

25 kg

Supply Ability

1000 kg

Introduction

Okra or Okro, is a flowering plant in the mallow family. It is valued for its edible green seed pods. The plant is cultivated in tropical, subtropical and warm temperate regions around the world.

Function

Okra extract can activate the central nervous men and male organs. For prostatitis, male sexual function is weak, yin and yang, endocrine disorders and other symptoms. It is called "plant Viagra" in America.

Storage

Stored in a clean, cool, dry area; keep away from strong, direct light.
