

Apple Extract (Apple polyphenols, Tannic acid)

Cat. No. CDPE-02164

Lot. No. (See product label)

Organism Part

Fruit

Color/Form

Fine yellow powder

State

Powder

Odor/Taste

Characteristic

Active Ingredient

Apple polyphenols, Tannic acid

Specification

10:1, 20:1

Assay Method

TLC

Water

Conform

Heavy Metals

Conform

Microbiology

Conform

Pesticides Residues

Conform

Shelf Life

24 months when properly stored.

Storage

Keep in a cool and dry place, away from light and high temperature.

FOR RESEARCH OR FURTHER MANUFACTURING USE ONLY
