Packing

1 kg/bag, 25 kg/drum, or customization

Shelf Life

24 months when properly stored.

Transport Method

By express, Or by sea / train / air

Minimum order quantity

25 kg

Supply Ability

1000 kg

Introduction

Marigold flower extract is prepared from calendula marigold flower tagetes plant, which is a pigment widely used in food additives, also used as a medicinal pigment. Marigold extract lutein is an excellent anti-oxidant in food, marigold extract can prevent cellular senescence and aging body organs, but can also prevent age-related macular degeneration eye due to decreased vision and blindness.

Storage

Stored in a clean, cool, dry area; keep away from strong, direct light.
